

Library lobby displays carved zoo animals

Sep 3, 2016

Handcarved zoo animals are the subject of a lobby display at the Bismarck Public Library. Each figure was carved by members of the Flickertail Woodcarvers, Bismarck-Mandan's woodcarving organization.

The Flickertail Woodcarvers meet the first Saturday of each month at 9 a.m. at Trinity Lutheran Church. New members are welcome and prospective members are invited to attend the monthly meetings. The Flickertail Woodcarvers will host its annual show on Oct. 8-9. Visit <https://flickertailwoodcarvers.org/>
