

Snowman

by Eric Gaasland

Hat band optional

Nose: toothpick, marked with a wood burner, or carve a carrot from the scrap chips.

Mouth: carve, draw, or wood burn

Scarf optional

Buttons: wood burn, marker, paint, or other

Snowman - square basswood, 1.5" or larger. 3 to 4 inches tall at 1.5" thickness.

Divide snowperson in rough 1/4, with it being larger going down from the top. The bottom should be largest, the head being smallest. Don't forget to account for the hat brim!

Finishing - paint the body white. Choose any color for the hat, scarf, band, etc..
